## CWWA 2022 ANNUAL CONFERENCE AND EXHIBITION, ATLANTIS, PARADISE ISLAND, BAHAMAS - WEEK AT A GLANCE

	8044.046.2022	/																								
	SATURDAY OCTOBER 15, 2022	SUNDAY OCTOBER 16, 2022	MONDAY OCTOBER 17, 2022					TUESDAY OCTOBER 18, 2022				WEDNESDAY OCTOBER 19, 2022					THURSDAY OCTOBER 20, 2022						FRIDAY OCTOBER 21, 2022			SATURDAY OCTOBER 22, 2022
8:00	Regist	ration	Conference Registration					Conference Registration				Conference Registration					Conference Registration						HLS Session/ Technical Tours			
6.30			Н	Room 1 Room 2 Room 3 IDB Room				All Day Exhibition           Room 1         Room 2         Room 4         HLF Room				All Day Exhibition           Room 1         Room 2         Room 4         Room 5         HLF Roo			HLF Room	All Day Exhibition  Room 1						HLF Room				
9:00			Confer	Room 1	NOOM 2	NOOM 5		The following state of				Chelsa Fernander/ Tony Scriven: Water and Sewerage Corporation Post Dorian Water Restoration Challenges in Abaco	Desmond Wellington: Water Resources Authority Baseline Water Quality and Volumetric Study of Lower Rio cobre Alluvium Aquiller	glon: es audily dy of a vision of the vision		TEL KOOM	Brad Granley: Leachat Management Specialists, LLC Innovative Constructed Wetlan Treatment System for Landfill Leachate in the Bahamas	Khemraj Persaud: Guyana Water Incorporated Geophysical resistivity logging for groundwater investigation in the indigenous hinterland community of Waramuni-Region 1 to facilitate design and drilling of a potable water well	Erated gaing for in the gain of the state of	NEMA/UNICEF	HLS 6- Waste Opening	Students Day	ILL ROOM	Room NEMA/UNICEF Disaster Prepa		Post Cor
9:30			ence Delegates Arri				Pre Conference Workshop IDB/CWUIC	Plenary Sessions			Kevin Sweeting: BRON Rehabilitation of Treatment System in Treasure Cay post Dorian	Christine Thompson: Guyana Water Inc.	Engineers Worl		HLF Water Morning Session 2 Day 2	Dinesha Samuels: Guyana Water Inc. Environmental Degradation and Marine Pollution	Ramchand Jailal: Guyana Water Incorporated Geophysical Logging for Groundwater Investigation in the Indigenous Hinterland Community of Waramuni, Region 1 to Facilitate Drilling of Potable Water Well	EF Disaster Prepa		HLF Waste Morning Session 2 Day 2					Conference Me	
10:00												Kristen Weish-Unwala: University of The Bahamas Impacts of Hurricane Dorian on Potable Water in Grand Bahama	Dr. Karl Payne: Resource Management & Environmental Studies- UWI, Cave Hill Machine Learning for Enhanced Groundwater Management under a Changing Climate: A Case Study of Barbados		rkshop	Lahon	Rensforde Joseph: Guyani Water Inc. Combating Climate Change Through Alternative Energy	Stephano Seecharan: Guyana Water Inc. Transition from Surface Water to Ground Water in Port Kaltuma, Region 1, Guyana	rration Workshop				ration Workshop		Meetings	
10:30	ш	Pre			BREAK			BREAK				BREAK				BREAK										
11:00	ARLY	e Confere	Exhibit Setu					Dr. Andrea Barrett: University of Technology, Jamaica Innovative Technologies for Sustainability of Water Management	Amanda Ramgobind: Guyana Water Inc. Performance of a Pilot Resource Recovery WWTP at Tucville Georgetown Guyana	Raphael Garcia: ADS Decentralized Wastewater	rcia: ADS ADS Intralized stewater agement erms for initary	Sanjay Gaur: Water Resources Economics Developing Financial Resiliency Strategies in Uncertain Times	Sian Cuffy Long: SIEL Environmental How Can We Rethink The Way We Educate on Waste Management?	Brian Huffman: Sherwin Williams Concrete Corrosion	Engineers		Marius Caprariu: Engineering & Technology Associates Inc. Adoption of the Membrane Aerated Biofilm Reactor (MABR) in Jamaica	John Bowleg: EU- GCA & Climate Project; UNESCO Climate Change, Water Resources & Renewable Energy in the Bahamas	CRe	NEMA/L		Students	HLF Waste Morning	NEMA/UNICE	<b>T</b> e	Cont
11:30	DELEG,	nce					Pre Conference	Dr. Shanecia Lester: University of West Indies, Mona Jamaica Good Water Governance: Shifting the Paradigm for a Secure Water Future	Michael Cooper/ Henrea Curry: Water and Sewerage Corporation RO Plant Installation & Challenges	Management Systems for Sanitary Applications		Tomesia Dundas: Guyana Water Inc. Improving Customer Willingness to Pay	Elizabeth Timal-Tatkan: Guyana Water Incorporated The Impact of Customer Service Engagement on the Performance of Water Utilities	in a Wastewater Environment		HLF Water Morning	Deon Anderson: Guyan Water Inc. Theory say: Aerators are necessary for iror removal, but are they really necessary?	Resnforde Joseph: Guyana Water Inc. Combating Climate Change Through Alternative Energy	₩+	A/UNICEF Disaster	HLF Waste Morning		Session 3 Day 2	UNICEF Disaster	echnic	Conference De
12:00	ATES AF	Workshop IDB	p Continues				Workshop IDB/CWUIC	Miya Financing of NRW Projects David Boyce:	Ayla Isaacs: Water and Sewerage Corporation Overview of CDB Project in the Bahamas	Q & A	HLF Water Morning	Halla Shaely:  IWEco St. Kitts and Nevis National Project Coordinator Catalyzing Adaptive Management in the Implementation of Nature- Based Solutions in St. Kitts and Nevis	Aubrey Roberts: Guyana Water Inc. Metering and the COVID 19 Pandemic		Workshop	Session 2 Day 2	Jumal Duncan: Guyans Water Inc. WASH and the Migrant Communities	Akilah Stewart: University of the West Indies, Trinidad A Comparative Study on the Microbial Ecology in Two Rural Drinking Water Distribution Systems in the Caribbean	e ral FS-AWWA - Reuse	reparation	Session 1 Day 1	ıts Day	Wrap Up	Preparation Work	al To	Delegates Depart
12:30	RRIVE	B/CWUIC						Karlene Singh/ Erno Bowe CWCO/WSC Public/Private Partnerships & Financing	: DLB Engineering Building Hazard Resilience and Water Security		Session 1	Gabriela Permansingh- Saul: Guyana Water Inc. Combating Climate Change Through Alternative Energy	Jessie Baicy: Seven Seas Water Corporation O&M Challenges Within The Caribbean	Q&A			Anthony Thormill: Guyana Water Inc. The Water and Waste Sectors and People	Megan Cox: Caribbean institute for Meteorology and Hydrology Near real-time water quality network expansion in the Eastern Caribbean.		kshop			Press Conference	kshop	urs	bart
1:00					LUNCH								LUNCH					LUNCH	5		I					
2:30			Exhibit Setup Completed	CWWA - Water			IDB AQUA RATING WORKSHOP	Marius Caprariu: Engineering & Technology Associates Inc. Implementation of Natural Treatment Systems in Jamaica Samantha Gangapersad:	Clayron Duncombe: Water and Sewerage Corporation BIOFUEL  Donathan Whylly: Water and Sewerage Corporation	Α		Sharon Archie: Water and Sewerage Authority Recognizing Human Rights and Building Resilience within the Water Sector for Climate Action  Amber Turner: The University of The West Indies	Presentation 23	Workshop & Vendi Presentations	Water and Sewer Cont Workshop		Wayne Collymore-Taylor: Barbados Water Authority The Impact of Drought on the BWA Water Supply  Halla Sahely: Private Environmental Consultant/HR	Carole Fisher: National Water Commission Leveraging Sustainable Benefits of GIS Mapping to Decrease NRW and Boost Collections and Customer Base  David Merell: Guyana	otan Dafai: Fluence N Various MABR Pi	NEMA/UNICEF Disas		Young F				Post Conference
3:00				· Loss Speci				Ministry of Public Utilities Wastewater Reuse Standard Deviation in Trinidad and Tobago	Photovoltaic Potential Assessment of the WSC Facilities in New Providence and the Family Islands		HLF Water Afternoon Session 1	The Socioeconomic Impact of Hurricane Dorian on the Potability of Water for Residents in Grand Bahama	t t	ndor		HLF Water Afternoon Session 2	Wallingford Ltd. Incorporating Drought Risk Modelling as a Planning Tool fo Climate Change Adaptation in St. Kitts and Nevis	Water Inc. Principles Required For The Formation Of A Disrict Metered Area		ster Preparation	HLF Waste Afternoon Session 1	Prof. Network	EU-PSC			ence Meetings
3:30				ialist Group				lan Clarke: Water and Sewerage Corporation Issues of Key Interest	Kristen Weish- Unwala: University of The Bahamas Implementation of OTEC in The Bahamas	CAWASA Certific CARIBSAN	Day 1	Exhibitors and Vendors ShowCase			tractors	Day 2	Neorgia Grant: University of the West Indies, Cavehill, CERMES Water Resilience and Adaptation in Barbados' Hotel Industry	Shantell Lopez: Water and Sewerage Corporation Emerging Issues in Water and Waste		Workshop	Day 1					ngs
4:00	WEEKEND RE	GISTRATION							SAN			Utility and Bottle Water Tasting											Conference D
