

CWWA CONFERENCE & EXHIBITION 2020

Dear CWWA Membership and Stakeholders,

The CWWA, like the rest of the Global Community, is concerned about the ongoing Novel Coronavirus (COVID19) Pandemic.

Following the last meeting of the CWWA Executive Council held on 17th March, 2020, the issues and impacts surrounding the virus were discussed. In particular, safety concerns in the leadup to our 29th Annual Conference and Exhibition which is scheduled to be hosted in St. Lucia from the 19th to 23rd October 2020.

We wish to advise everyone that we are closely monitoring the situation as it unfolds and will continue to work closely with the relevant Authorities, to disseminate pertinent information and support our community in every way we can.

We are also working with the St. Lucia Local Organising Committee for the Conference and the St. Lucian Government to ensure any decisions made related to the Conference are in line with their guidelines and restrictions.

At this time the 2020 Conference & Exhibition is still scheduled to take place as planned. However we will notify our membership and stakeholders if there are any changes and we thank you for your continued patience and support. Please do not hesitate to email us at the Secretariat if you have any questions cwwattsecretariat@gmail.com

As we battle the spread of COVID19 together, we advise that you continue to follow all guidelines issued by the relevant Authorities:

1. Wash hands with soap regularly or use alcohol based hand sanitizer if you cannot;
2. Avoid unnecessary interaction and stay at home if you can, especially if you are ill;
3. Practice social distancing by keeping at least 6 feet away from other persons;
4. Avoid sharing information from unsubstantiated sources.

Above all, remain calm and do your part. Fighting the spread of COVID19 is a community effort #doyourpart.

Sincerely,

Wayne Williams
Executive Director
CWWA
