

34th **ANNUAL
CONFERENCE
& EXHIBITION
2025**

Engineering Progress Together:
Collective Action for a
Connected Region.

Transportation Guidelines

20-24 Oct. 2025

San Pedro, Ambergris Caye, Belize, C.A.

Welcome to *Belize*

We are excited to host you at the Caribbean Water & Wastewater Association's 34th Annual Conference and Exhibition!

Please review the transportation arrangements designed to provide a smooth and scenic arrival experience.

Ground Transportation

Delegates will have two options for ground transportation:

Option 1: Organized by the Local Organizing Committee (LOC):

The LOC will arrange round-trip ground transportation for delegates travelling to and from the conference venue. The cost for this service is **\$100 USD per person** (round trip). This fee covers transportation from the Philip Goldson International Airport to the conference venue (on **October 18th and 19th, 2025**) and return to the international airport at the end of the event (**October 24th and 25th, 2025**).

Option 2: Self-arranged Transportation:

Delegates may choose to make their own transportation arrangements independently and at their own expense. Special travel discount has been arranged for delegates who choose to make their own arrangements.

*Delegates are encouraged to indicate their preferred option when registering for the conference by completing the **“flight information & ground transportation form”** which can be downloaded from the conference webpage. To allow for smooth planning, the LOC requests that payment be made by October 1, 2025.*

Option 1:

Description of transportation services provided by the LOC:

Arrival & airport Pickup

All delegates will be greeted upon arrival at the Philip S.W. Goldson International Airport (PGIA) by our conference team. Delegates will then be guided to ground shuttles for transportation to Old Belize.

You will need to complete the required immigration and customs form in **advance** of travel by clicking this link: https://belizetravel.immigration.gov.bz/Belize_Digital_Forms/

Boat Charter to the Conference Location

From Old Belize, delegates will board a private boat charter to the conference venue. Enjoy a one-and-a-half-hour scenic trip across the Caribbean Sea with light refreshments and safety gear provided onboard.

Luggage Handling

To ensure your comfort, luggage will be transported separately by boat directly from Old Belize to the island. Please ensure all bags are clearly labeled.

Option 2:

Please see below special prices being provided for self-arranged transportation:
