

STRATEGIC FRAMEWORK

Mission

CWWA brings together the water and sanitation community in the Caribbean towards the protection of public health and the promotion of sustainable development.

Through collective leadership, CWWA positively influences advancements in technology, education, science, management, and country and regional policies in the water and sanitation field

VISION

CWWA is the preeminent Association providing development opportunities and support to the professionals and practitioners of the water and sanitation sectors in the Caribbean

CORE VALUES

- Shared Responsibility for Regional Development
- Commitment to Honesty, Integrity and Teamwork
- Commitment to Excellence
- Commitment to Diversity
